

DARWIN'S SANTANDER BURSARIES
APPLICATION FORM FOR THE ACADEMICAL YEAR 2017/18

Three Bursaries of £3,000.00 each are offered, by competition, to students coming into their first year of study. These are tenable in any subject and open to all nationalities. A first class degree or its equivalent is essential, and preference will be given to those who nominate Darwin as their College of first choice. The Bursaries are tenable for one year and cannot be renewed. The only criterion determining the award of a College Bursary is outstanding merit. Additionally, however, potential applicants must be able to demonstrate that, with the help of the Bursary, they are in a position to satisfy the financial conditions laid down by the Student Registry for admission to the University.

Some of the information we require to assess candidates for the Bursaries will already have been supplied on the application form. This form is therefore designed to obtain further data about your financial situation, and about your degree classification.

The application form must be completed and returned either via email to deanery@darwin.cam.ac.uk or by post to The Dean, Darwin College, Silver Street, Cambridge CB3 9EU, not later than 31 July 2017.

All applicants will be notified BY EMAIL once a decision has been made; usually by the first week of September.

NAME:	
ADDRESS:	
EMAIL:	
NATIONALITY:	
AGE:	
COURSE: (M.Phil., Ph.D. etc)	
DEPARTMENT:	

PREVIOUS EDUCATION:

Please provide brief details of your highest degree, the University at which you studied, the final degree classification and any distinctions/prizes awarded to you. If you do not yet know your final result please send it as soon as possible
